Crystal Reflecto Series

- High-tech reflective toughened glass cooktop
- High efficiency brass burners
- Reflecto 3B model equipped with one super big burner
- Aesthetically designed brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

COOKTOPS

Crystal 4B SS

- Toughened glass cooktop
- 4 high efficiency brass burners
- Euro coated pan supports
- Stainless steel drip trays
- Brushed matt finish stainless steel base
- Auto Ignition (Optional)

Crystal 3B SS

- Toughened glass cooktop
- 3 high efficiency brass burners including one super big burner
- Euro coated pan supports
- Stainless steel drip trays
- Brushed matt finish stainless steel base
- Auto Ignition (Optional)

Crystal 2B SS

- Toughened glass cooktop
- 2 high efficiency brass burners
- Euro coated pan supports
- Stainless steel drip trays
- Brushed matt finish stainless steel base
- Auto Ignition (Optional)

Crystal 4B BK

- Toughened glass cooktop
- 4 high efficiency brass burners
- Euro coated pan supports
- Stainless steel drip trays
- Powder coated sheet metal base
- Auto Ignition (Optional)

Crystal 3B BK

- Toughened glass cooktop
- 3 high efficiency brass burners including one super big burner
- Euro coated pan supports
- Stainless steel drip trays
- Powder coated sheet metal base
- Auto Ignition (Optional)

Crystal 2B BK

- Toughened glass cooktop
- 2 high efficiency brass burners
- Euro coated pan supports
- Stainless steel drip trays
- Powder coated sheet metal base
- Auto Ignition (Optional)

Crystal Curve 4B SS

- Toughened glass cooktop
- 4 high efficiency brass burners
- Aesthetically designed brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Curve 3B SS

- Toughened glass cooktop
- 3 high efficiency brass burners including one super big burner
- Aesthetically designed brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Curve 2B SS

- Toughened glass cooktop
- 2 high efficiency brass burners
- Aesthetically designed brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Curve 4B BK

- Toughened glass cooktop
- 4 high efficiency brass burners
- Aesthetically designed powder coated steel metal base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Curve 3B BK

- Toughened glass cooktop
- 3 high efficiency brass burners including one super big burner
- Aesthetically designed powder coated steel metal base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Curve 2B BK

- Toughened glass cooktop
- 2 high efficiency brass burners
- Aesthetically designed powder coated steel metal base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Plus 4B SS

- Extra spacious toughened glass cooktop
- 4 high efficiency brass burners including one super big burner
- Euro coated pan supports
- Stainless steel drip trays
- Brushed matt finish stainless steel base
- Auto Ignition (Optional)

Crystal Plus 3B SS

- Extra spacious toughened glass cooktop
- 3 high efficiency brass burners including one super big burner
- Euro coated pan supports
- Stainless steel drip trays
- Brushed matt finish stainless steel base
- Auto Ignition (Optional)

Crystal Plus 2B SS

- Extra spacious toughened glass cooktop
- 2 high efficiency brass burners
- Euro coated pan supports
- Stainless steel drip trays
- Brushed matt finish stainless steel base
- Auto Ignition (Optional)

Crystal Plus 4B BK

- Extra spacious toughened glass cooktop
- 4 high efficiency brass burners including one super big burner
- Euro coated pan supports
- Stainless steel drip trays
- Powder coated sheet metal base
- Auto Ignition (Optional)

Crystal Plus 3B BK

- Extra spacious toughened glass cooktop
- 3 high efficiency brass burners including one super big burner
- Euro coated pan supports
- Stainless steel drip trays
- Powder coated sheet metal base
- Auto Ignition (Optional)

Crystal Plus 2B BK

- Extra spacious toughened glass cooktop
- 2 high efficiency brass burners
- Euro coated pan supports
- Stainless steel drip trays
- Powder coated sheet metal base
- Auto Ignition (Optional)

Crystal MetalArt

Crystal Gold

- Extra spacious toughened glass cooktop with metallic gold finish
- High efficiency brass burners
- 3B & 4B models equipped with one super big burner
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto Ignition (Optional)

Crystal Silver 4B

- Extra spacious toughened glass cooktop with metallic silver finish
- 4 high efficiency brass burners including one super big burner
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Silver 3B

- Extra spacious toughened glass cooktop with metallic silver finish
- 3 high efficiency brass burners including one super big burner
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Silver 2B

- Extra spacious toughened glass cooktop with metallic silver finish
- 2 high efficiency brass burners
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Copper 4B

- Extra spacious toughened glass cooktop with metallic copper finish
- 4 high efficiency brass burners including one super big burner
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Copper 3B

- Extra spacious toughened glass cooktop with metallic copper finish
- 3 high efficiency brass burners including one super big burner
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Copper 2B

- Extra spacious toughened glass cooktop with metallic copper finish
- 2 high efficiency brass burners
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Marbello 4B SS

- Toughened glass cooktop with red marble finish
- 4 high efficiency brass burners
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Marbello 3B SS

- Toughened glass cooktop with red marble finish
- 3 high efficiency brass burners including one super big burner
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Marbello 2B SS

- Toughened glass cooktop with red marble finish
- 2 high efficiency brass burners
- Brushed matt finish stainless steel base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Granito 4B BK

- Toughened glass cooktop with black granite finish
- 4 high efficiency brass burners
- Powder coated steel metal base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Granito 3B BK

- Toughened glass cooktop with black granite finish
- 3 high efficiency brass burners including one super big burner
- Powder coated steel metal base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Crystal Granito 2B BK

- Toughened glass cooktop with black granite finish
- 2 high efficiency brass burners
- Powder coated steel metal base
- Euro coated pan supports
- Stainless steel drip trays
- Auto ignition (Optional)

Spectra 4B

- Stainless steel body
- ISI Marked
- 4 high efficiency brass burners
- Individual pan supports
- Drip trays
- Imported edge guard
- Auto Ignition (Optional)

Spectra 3B

- Stainless steel body
- ISI Marked
- 3 high efficiency brass burners including one super big burner
- Individual pan supports
- Drip trays
- Imported edge guard
- Auto Ignition (Optional)

Spectra 2B

- Stainless steel body
- ISI Marked
- 2 high efficiency brass burners
- Super big burner available in Dx model
- Individual pan supports
- Drip trays
- Imported edge guard
- Auto Ignition (Optional)

Spectra Plus 4B

- Extra spacious stainless steel body
- ISI Marked
- 4 high efficiency brass burners including one super big burner
- Individual pan supports
- Drip trays
- Imported edge guard

Spectra 4B DX

- Stainless steel body
- ISI Marked
- 4 high efficiency brass burners including one super big burner
- Individual pan supports
- Drip trays
- Imported edge guard

Spectra TL 4B

- Two levels of cooking adds to convenience
- Extra spacious stainless steel body
- ISI Marked
- 4 high efficiency brass burners
- Individual pan supports
- Drip trays
- Imported edge guard

Optra 4B

- Stainless steel body
- ISI Marked
- 4 high efficiency brass burners
- Individual pan supports

Optra 3B

- Stainless steel body
- ISI Marked
- 3 high efficiency brass burners
- Individual pan supports

Optra 2B

- Stainless steel body
- ISI Marked
- 2 high efficiency brass burners
- Individual pan supports

Cook & Grill

- Stainless steel body
- 2 High efficiency brass burners
- One Grill burner, ideal for grilling and broasting
- Grill burner is reversible, when flipped over, becomes a third cooking point
- Grill rack and vitreous enameled tray provided

Bonus 3B

- Stainless steel body
- ISI Marked
- 3 high efficiency brass burners
- Drip trays
- Auto Ignition (Optional)

Premium 2B

- Thicker and bigger stainless steel body
- ISI Marked
- 2 high efficiency heavy brass burners
- Drip trays
- Auto Ignition (Optional)

Excel Cook 2B

- Stainless steel body
- ISI Marked
- 2 high efficiency brass burners
- Drip trays
- Auto Ignition (Optional)

Supreme 2B

- Stainless steel body
- ISI Marked
- 2 high efficiency brass burners
- Drip trays
- Auto Ignition (Optional)

Popular 2B

- Stainless steel body
- ISI Marked
- 2 high efficiency brass burners
- Drip trays

Smart 2B

- Stainless steel body
- ISI Marked
- 2 high efficiency brass burners

Single Burner DX

- Stainless steel body
- ISI Marked
- 1 high efficiency super big brass burner

Single Burner

- Stainless steel body
- ISI Marked
- 1 high efficiency brass burner

- 60 cm wide

BUILT-IN OVEN / MICROWAVE OVEN

Built-In-Oven

- 8 functions
- LED Display
- Push-pull control knob function
- Brushed matt finish stainless steel facia
- Stainless steel handle
- High quality enameled chamber
- Max. Power 3.1kw

Built-In-Microwave

- Capacity: 25 lit, 900 watts
- Equipped with grill & convection, Max. Power 2.5 kw
- LED Display
- Brushed matt finish stainless steel facia
- Stainless steel handle
- Stainless steel chamber
- 5 microwave power levels
- 10 auto-cook menu

COOKING RANGE

Exotica GTSS Super Dx

- Size: 51 x 63 cm
- 3 brass gas burners and 1 electric hot plate
- Separate grill and oven chambers
- Grill operates on gas while oven is thermostatically controlled and operates on electricity
- Stainless steel sides
- Spring-loaded toughened glass top cover
- Designer reflective glass fascia
- Electric ignition for top burners
- Motorised rotisserie

Exotica GTSS

- Size: 51 x 63 cm
- 3 brass gas burners and 1 electric hot plate
- Separate grill and oven chambers
- Grill operates on gas while oven is thermostatically controlled and operates on electricity
- Stainless steel sides
- Spring-loaded toughened glass top cover
- Electric ignition for top burner (Optional)

Regalia GTSS Super Dx

- Size: 51 x 63 cm
- 4 brass burners on top
- Thermostatically-controlled, vitreous enameled oven chamber
- Separate grill & oven chambers
- Stainless steel sides
- Designer reflective glass fascia
- Spring-loaded tempered glass top for extra safety
- Electric ignition for top burners
- Motorised rotisserie

Regalia GTSS

- Size: 51 x 63 cm
- 4 brass burners on top with separate grill and oven chamber, all operating on gas
- Oven temperature thermostatically-controlled
- Stainless steel sides
- Spring loaded toughened glass top cover
- Electric ignition for top burners (Optional)

Regalia

- Size: 51 x 63 cm
- 4 brass burners on top with separate grill and oven chamber, all operating on gas
- Oven temperature thermostatically-controlled
- Spring loaded toughened glass top cover
- Stainless steel working top & sides
- Electric ignition for top burners (Optional)

Regency

- Size: 51 x 63 cm
- 4 brass burners on top, grill and oven all operating on gas
- Thermostatically-controlled, vitreous enameled oven-cum-grill chamber
- Separate hot case (Operates with the oven)
- Enamel painted model with sheet metal top cover
- Stainless steel working top

Induction Cooker (SF-IC21)

- High quality crystal glass plate
- Sleek and elegant
- Feather touch controls
- 8 levels power settings (300-2000W)
- 8 level temperature settings (60-240°C)
- Pre-set cooking functions
- Digital display
- Auto cut-off after 60 seconds
- 24 hours timer

INDUCTION COOKERS

Induction Cooker (SF-IC01)

- High quality crystal glass plate
- Sleek and elegant design
- Soft push-type controls
- 10 levels power setting (300-2000W)
- 10 levels temperature setting (60-240°C)
- Digital display
- Auto cut-off after 60 seconds
- Pre-set cooking functions

Induction Cooker (SF-IC22)

- High quality crystal glass plate
- Sleek and elegant design
- Feather touch controls
- 8 levels power setting (300-2000W)
- 8 levels temperature setting (60-240°C)
- Digital display
- Auto cut-off after 60 seconds

Induction Cooker (SF-IC02)

- High quality crystal glass plate
- Sleek and elegant design
- Soft push-type controls
- 10 levels power setting (300-2000W)
- 10 levels temperature setting (60-240°C)
- Digital display
- Auto cut-off after 60 seconds
- Pre-set cooking functions
- Provided with SS cooking pan & glass lid

Induction Cooker (SF-IC03)

- High quality crystal glass plate
- Soft push type controls
- Wide range of temperature settings (60-240°C)
- Wide range of power settings (300-2000W)
- Digital Display
- Auto cut-off

Induction Cooker (SF-IC04)

- High quality crystal glass plate
- Soft push-type controls
- Wide range of power setting (300-2000W)
- Wide range of temperature setting (60-240°C)
- Digital display
- Preset cooking functions
- Auto cut-off
- Timer function

Premium Non-Stick Induction Base Cookware

- New age cookware for healthy cooking
- Cookware with induction base
- High quality non-stick coating for trouble free cooking
- Induction cooker and gas stove compatible
- Cook and serve for convenience
- Tempered glass lid for safety

OTG (Royal-23/35/45)

- Brush matt finish steel housing
- Toughened see-through glass door
- Auto-cut timer
- Crumb tray
- Enameled baking tray
- Wire grill rack
- Capacity: 23/35/45 ltrs
- Model Royal 23 R SS equipped with rotisserie function
- Model Royal 35/45 RC SS equipped with rotisserie and convection function

OVEN TOASTER GRILLER

OTG (Euro-34 RT/45 RT)

- Toughened see through glass door
- Auto-cut timer
- Crumb tray
- Enameled baking tray
- Wire grill rack
- Capacity: 34/45 lbs
- Equipped with rotisserie & convection function

OTG (Regency-16/22/31)

- Toughened see through glass door
- Stainless steel chamber
- Auto cut timer
- Enameled baking tray
- Wire grill rack
- Available in 16, 22 & 31 lbs capacity
- 22/31 lbs models are also available with rotisserie function

OTG (Euro-16)

- Toughened see through glass door
- Auto-cut timer
- Enameled baking tray
- Wire grill rack
- Capacity: 16 lbs

Snack Maker (SF-206)

- 15 minutes timer with indicator bell
- 700 watts
- Removable crumb/trip tray
- Auto slide out toasting rack
- Efficient quartz heater

SMALL APPLIANCES

Food Processor (SF-FP09)

- 700 watts powerful motor
- Three speed control with incher for momentary operation
- Unbreakable polycarbonate liquidizing jar
- Stainless steel grinder and chutney jars
- Blades for chopping, atta kneading and whipping
- Multi-function reversible shredding/slicing disc
- Discs for coconut crushing & french fries
- Citrus and centrifugal juicer
- Safety micro switches provided
- Overload protection (manual reset type)

JMG Crystal (Juicer Mixer Grinder with 3 Jars)

- Detachable pulp container
- Powerful 500 watts motor
- 3 speed control with incher function
- High quality stainless steel blades

JMG Premium (Juicer Mixer Grinder with 2 Jars)

- Powerful 450 watts motor
- 3 speed control with incher function
- High quality stainless steel blades

JMG Supreme (Juicer Mixer Grinder with 2 Jars)

- Powerful 500 watts motor
- Detachable pulp container
- 3 speed control with incher function
- High quality stainless steel blades

MG Legend (Mixer Grinder with 3 Jars)

- Powerful 750 watts motor
- 3 speed control with incher for momentary operation
- High quality stainless steel blades
- Overload protection

Juice Extractor (SF-619)

- Powerful 800 watts motor
- Stainless steel micro mash filter
- Extra large feeding tube
- Detachable pulp container
- Equipped with safety micro switch
- Juice jug provided

MG Shakti Dx (Mixer Grinder with 3 Jars)

- Powerful 500 watts motor
- 3 speed control with incher for momentary operation
- High quality stainless steel blades
- Overload protection

MG Style Dx (Mixer Grinder with 3 Jars)

- Powerful 500 watts motor
- 3 speed control with incher for momentary operation
- High quality stainless steel blades
- Overload protection

MG Ikon (Mixer Grinder with 3 Jars)

- Extra powerful 600 watts motor
- 30 minute continuous rating
- 3 speed control with incher function
- High quality stainless steel blades

MG Smart (Mixer Grinders with 3 Jars)

- Powerful 500 watts motor
- 3 speed control with incher for momentary operation
- High quality stainless steel blades
- Overload protection
- 30 minute continuous rating

Chopper (SF-633)

- 200 watts
- High quality stainless steel blades
- Unique whisk for better mixing
- Finger touch operation

Hand Blender (SF-642)

- Powerful 250 watts motor
- 2 speed control
- Low noise operation
- Elegant sleek design-easy handling

Hand Blender (SF-642 Dx)

- Powerful 250 watts motor
- 2 speed control
- Low noise operation
- Elegant sleek design-easy handling
- Chopper attachment provided

Electric Kettle (SF-177)

- 0.5 ltr capacity
- 1000 watts
- High quality stainless steel housing
- Concealed heating element

Cordless Electric Kettle (SF-178)

- 1.2 ltrs capacity
- 1100 watts
- 360 degree cordless stainless steel housing kettle
- Concealed stainless steel heating element

Cordless Electric Kettle (SF-179)

- 1.2 ltrs capacity
- 1100 watts
- 360 degree cordless stainless steel housing kettle
- Concealed stainless steel heating element

Cordless Electric Kettle (SF-174)

- 1.2 ltrs capacity
- 1100 watts
- 360 degree cordless kettle
- Concealed stainless steel heating element

Cordless Electric Kettle (SF-175)

- 1.8 ltrs capacity
- 1100 watts
- 360 degree cordless kettle
- Concealed stainless steel heating element

Rice Cooker (SF-413/414)

- 1.8/2.2 ltrs capacity
- 700/900 watts
- Automatic cooking and warming functions
- High temperature protection
- 2 inner pots provided

Coffee Maker (SF-702)

- Capacity: 6 cups
- 550 watts
- Anti drip device
- Water level indicator
- Boil dry protection
- Keep warm function

Espresso Coffee Maker (SF-712)

- Capacity: 4 cups
- 800 watts
- Safety pressure release valve
- Water level indicator
- Boil dry protection

Coffee Maker (SF-721)

- 3 in 1 coffee machine for espresso, cappuccino and filter coffee
- Capacity: 12 cups
- 1850 watts
- Pressure: 15 bars
- Automatic turn-off function
- LCD display

Master Grill (SF-115)

- Grill sandwich maker
- 1500 watts
- Cool-touch handle
- Teflon-coated cook plates
- Inbuilt safety fuse

Healthy Grill (SF-HG02)

- High quality aluminium grill cooking plate with non-stick coating for hassle free cooking
- Adjustable thermostat for perfect results
- Cool-touch handles and base

**Sandwich Toaster SF-104/
Grill Toaster SF-105**

- 4 sealed sandwiches/grill sandwiches
- 750 watts
- Cool-touch handle
- Teflon-coated cook plates
- Inbuilt safety fuse

**Sandwich Toaster SF-106/
Grill Toaster SF-107**

- 4 sealed sandwiches/grill sandwiches
- 750 watts
- Cool-touch handle
- Teflon-coated cook plates
- Inbuilt safety fuse

Sandwich cum Grill Toaster (SF-110)

- Unique fixed pocket and grill combo plate
- 750 Watts
- Cool-touch handle
- Teflon-coated cook plates
- Inbuilt safety fuse

Multi Grill Sandwich Toaster (SF-111)

- Sealed & grill sandwich maker
- Cool-touch handle
- 750 watts
- Removable & replaceable cook plates
- Teflon-coated cook plates

Pop-up Toaster (SF-153)

- Cool touch 2 slice toaster
- 750 watts
- Bread centering function

Pop-up Toaster (SF-157)

- Cool touch 4 slice toaster
- 1300 watts
- Electronic browning control
- Slide out crumb tray

Steam Iron (SF-305)

- Teflon coated sole plate
- 1300 Watts
- Variable steam control
- Vertical steam shot
- 360 degree swivel cord

Steam Iron (SF-306)

- Ceramic coated sole plate
- 1800 watts
- Unique anti-calc, anti-drip and auto shut-off function
- Self-clean function
- Vertical steam shot
- 360 degree swivel cord

Dry Iron (Platina)

- Light weight
- Teflon coated
- 1000 watts
- Automatic temperature control
- Shock proof body

Dry Iron (Opal)

- Light weight
- Teflon coated
- 750 watts
- Shock proof body
- Automatic temperature control

Dry Iron (Popular)

- Light weight
- Teflon coated
- 750 watts
- Shock proof handle
- Automatic temperature control

Dry Iron (Pearl)

- Light weight
- Teflon coated
- 750 watts
- Shock proof handle
- Automatic temperature control

Solitaire Hard Anodized Pressure Cooker

- Available in: 3L, 5L & 6.5L
- Body and lid hard anodized — harder than steel
- Highly durable, scratch and stick-resistant
- Stainless steel brackets
- Extra durable synthetic rubber
- Fuel efficient and anti-bulging base
- Specially designed pressure regulator
- Highly safe and durable

PRESSURE COOKERS

Sapphire Pressure Cooker (Inner Lid)

- Available in: 2L, 3L, 5L & 6.5L
- Stainless steel brackets
- Extra durable synthetic rubber
- Fuel efficient and anti-bulging base
- Specially designed pressure regulator

Solitaire Pressure Cooker (Inner Lid)

- Available in: 2L, 3L, 5L & 6.5L
- Stainless steel brackets
- Extra durable synthetic rubber
- Fuel efficient and anti-bulging base
- Specially designed pressure regulator
- Highly safe and durable

Induction Base

Premium Pressure Cooker (Outer Lid)

- Available in: 2L, 3L, 5L & 7.5L
- Aesthetically Designed Body
- Extra durable synthetic rubber
- Gasket Release System (GRS) and double locking for increased safety
- Fuel efficient and anti-bulging base
- Specially designed pressure regulator
- All fixtures like nuts and screws made of non-corrosive stainless steel
- Highly safe and durable

*Also available with Induction Base (3L & 5L)

Induction Base

Sapphire Pressure Cooker (with Induction Base)

- Available in: 3L, 5L
- Induction base suitable for induction as well as gas cooking
- Stainless steel brackets
- Extra durable synthetic rubber
- Specially designed pressure regulator
- Highly safe and durable

Induction Base

Solitaire Pressure Cooker (with Induction Base)

- Available in: 3L, 5L
- Induction base suitable for induction as well as gas cooking
- Stainless steel brackets
- Extra durable synthetic rubber
- Specially designed pressure regulator
- Highly safe and durable

Premium Hard Anodized Pressure Cooker

- Available in: 3L & 5L
- Body and lid hard anodized – harder than steel
- Highly durable, scratch and stick-resistant
- Extra durable synthetic rubber
- Gasket Release System (GRS) and double locking for increased safety
- Specially designed pressure regulator
- All fixtures like nuts and screws made of non-corrosive stainless steel
- Highly safe and durable

Deep Karahi

Available in:

2.40Ltr

3.70Ltr

3.60Ltr

4.80Ltr

6.00Ltr

8.00 Ltr

HARD ANODIZED COOKWARE

Chapati Tawa

Available in:
250mm & 275mm
(Available in 4.06mm &
4.88mm thickness)

Deep Fry Pan

Available in
250mm & 265mm

Dosa/Flat Tawa

Available in:
265mm

Handi

Available in:
1.25Ltr, 2.50Ltr & 3.75Ltr

Sauce Pan

Available in:
1.25L, 1.75L & 2.35L

Taper Fry Pan

Available in:
215mm, 240mm & 260mm

Tarka Pan

Available in:
0.25Ltr & 0.33Ltr

Salient Features

- Hard anodized aluminum of over 50 microns thickness
- Supreme durability
- Scratch-resistant
- Stick-resistant surface
- Rust, crack and peel proof body
- High energy efficiency
- 100% food grade quality
- Complete hygiene
- Ease of cleaning

Heat Convector SF-916

- Three heat settings
- Twin turbo design
- Quick heating
- Adjustable height

HEATING APPLIANCES

PTC Heater SF-901

- PTC ceramic heating element
- Two heat settings – 750w/1500w
- Adjustable thermostat to maintain desired room temperature
- Automatic power off in case of tip over
- Automatic overheat protection

OFR Heater SF-951 N / SF-951 E

- 9 fins /11 fins
- Three heat settings
- Built-in safety features
- Adjustable thermostat to maintain desired room temperature
- Castor wheels for easy mobility
- U.O.F. technology gives additional protection against leakage

OFR Heater SF-955 NF

- 9 fins
- Three heat settings
- Provided with PTC fan heater for quick heating
- Built-in safety features
- Adjustable thermostat to maintain desired room temperature
- Castor wheels for easy mobility
- U.O.F. technology gives additional protection against leakage

Halogen Heater SF-931

- Efficient halogen heating elements
- Three heat settings – 400w/800w/1200w
- Overheat protection
- Automatic power off in case of tip over
- Wide oscillation angle
- Cool-touch body

Lara

- Designed for high rise buildings and pressure pump applications
- High precision engineered strong plastic body
- Inner tank provided with titanium enameled layer- corrosion and scale free
- Provided with:
 - High quality incoley heating element with enamel coating
 - Magnesium anode for protection of element against corrosion to ensure longer life
 - High density PUF insulation – Energy saver
 - Temperature adjustment control
 - Multiple safety systems
 - Available in 25 ltrs. capacity
- 2 years warranty on product and 5 years warranty on inner tank

5 star rating on model

WATER HEATERS

Eva-V

Features

- Designed for high rise buildings and pressure pump applications
- Inner tank provided with high quality vitreous enamel coating-corrosion and scale free
- Provided with:
 - Incoloy heating element
 - Magnesium anode for protection of element against corrosion to ensure longer life
 - Unique temperature indicator dial
 - Temperature adjustment control
 - Multiple safety systems
- Available in-15 & 25 ltrs. capacity (vertical installation)
35 and 50lrs (horizontal installation)
- 2 years warranty on product and 5 years warranty on inner tank.

Eva-H

4 star rating on 15L, 25L, 35L & 50L Models

Instant Water Heater

Available in 1 and 3 ltrs. capacity

Features

- ISI Marked
- 5 star rating
- Aesthetically designed ABS plastic body
- Energy efficient-huge saving over ISI norms
- Various levels of inbuilt safety measures
- Two years warranty
- Five years warranty on inner tank.
- Available in 15 and 25 ltrs.

5 star rating on 15L & 25L Models

Equator

Optima

- ISI Marked
- 5 star rating
- Energy efficient-huge saving over ISI norms
- Various levels of inbuilt safety measures
- Two years warranty
- Five years warranty on inner tank
- Available in 15, 25 and 35 ltr.

5 star rating on ISI 82SL Models

LPG Water Heater SF-5004

- Heavy duty heat exchanger
- Automatic IC ignition system
- Flame-failure safety device
- 20-minutes built-in-timer
- Over-water temperature safety device
- Flow control system
- Summer/Winter Switch
- Suitable for very low pressure (0.015mpa)
- 1/3rd operating cost as compared to electricity

Immersion Rod

- ISI Marked
- High quality copper element
- Shock-proof bakelite handle
- Provided with hook for hanging
- Available in 1 KW & 1.5 KW

THANK YOU
