STAINLESS STEEL

Dear Customer,

Brand “**VINOD**” was established in the year 1962, in a very small way with mere trading activities. In due course of time, as the brand got popular among consumers in India, “**VINOD**” then started its manufacturing unit by the name of “PRAGATI METAL WORKS” in the year 1984.

From day one emphasis was laid on Quality and Innovation, slowly the brand started growing. In spite of Competition from all around, “**VINOD**” enjoys high brand equity and trust with the Trade, Institution and its Customers with every passing generation in India.

The Sole aim of the management is to provide the best quality Stainless Steel Tableware and Kitchenware Products.

Pragati Metal Works has seen transformation from a traditional run business to a Professional One, with the new generation joining. In the year 2001, My elder son Nikhil Agarwal joined the business, followed by Ankur Agarwal in the year 2007. Recently my daughter in law, Nitika Agarwal joined in 2011.

“**VINOD**” products are manufactured both with premium quality stainless steel for the ones looking in for the quality market and from the standard quality stainless steel for the ones looking for the price aspect. The commitment in both the cases in terms of value addition to the product and its utility is always done with highest attention.

Best Regards,

Mahesh Agarwal
Managing Director
